**FIVE STEPS FOR COMPLETION OF FORM**

- 1.) Check for candidate name omissions on this form by comparing it against the candidate names printed on the county's ballots. If an omission is found, contact the Department of State's Bureau of Elections in Lansing.
- 2.) Enter all totals in words and numerals. Example: Three Hundred twenty-one (321). Do not fail to enter the county's Poll Book total below. When entering total number of votes cast for all candidates for a particular office, DO NOT include write-in votes cast for individuals who did not submit a Declaration of Intent form.
- 3.) Double check all entries for errors. There can be no discrepancies in the totals recorded on this form, the totals entered on the Official County Canvassers' Statement and the precinct results certified for your county. Complete accuracy is of extreme importance as the totals entered on this form represent the official record of the election.
- 4.) After completing the form, affix all required signatures and county seal on the last page.
- 5.) Mail the original copy of this form to the Department of State's Bureau of Elections as soon as it is completed.

RENEWAL OF EXISTING MILLAGE  
FOR POLICE PROTECTION

Shall the previously voted increase in the Constitutional Limitation on the amount of taxes which may be levied against all taxable real and personal property in the Township of Ira, St. Clair County, Michigan, be renewed at .5 mills (\$.50 for each \$1,000.00) of taxable value for a period of three (3) years commencing December 1, 2014 for the purpose of providing police protection?

It is estimated that .50 mills would raise approximately \$86,706.00 in the first year of the levy, being 2014. This is a renewal of an existing millage.

## OPERATING MILLAGE PROPOSAL

This proposal will allow the Algonac Community Schools to continue to levy the statutory rate of 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Algonac Community Schools, St. Clair County, Michigan, be increased by 18 mills (\$18.00 on each \$1,000 of taxable valuation) for a period of 3 years, 2015, 2016 and 2017, to provide funds for operating purposes; if approved, the estimate of the revenue the school district will collect if the millage is approved and levied in 2015 is approximately \$73,023?

## OPERATING MILLAGE RENEWAL PROPOSAL

This proposal will allow the school district to levy the statutory rate of 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance and renews millage that will expire with the 2014 tax levy.

Shall the currently authorized millage rate limitation of 19 mills (\$19.00 on each \$1,000 of taxable valuation) on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Croswell-Lexington Community Schools, Sanilac and St. Clair Counties, Michigan, be renewed for a period of 4 years, 2015 to 2018, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2015 is approximately \$3,140,000 (this is a renewal of millage which will expire with the 2014 tax levy)?

## BONDING PROPOSAL

Shall East China School District, St. Clair County, Michigan, borrow the sum of not to exceed Two Million Eight Hundred Ten Thousand Dollars (\$2,810,000) and issue its general obligation unlimited tax bonds therefor, in one or more series, for the purpose of purchasing school buses?

The following is for informational purposes only:

The estimated millage that will be levied for the proposed bonds in 2015 is 0.05 mill (\$0.05 on each \$1,000 of taxable valuation). The maximum number of years the bonds may be outstanding for any single series, exclusive of any refunding, is eight (8) years. The estimated simple average annual millage anticipated to be required to retire this bond debt is 0.24 mill (\$0.24 on each \$1,000 of taxable valuation).

The school district does not expect to borrow from the State to pay debt service on the bonds. The total amount of qualified bonds currently outstanding is \$19,885,000. The total amount of qualified loans currently outstanding is \$-0-. The estimated computed millage rate may change based on changes in certain circumstances.

(Pursuant to State law, expenditure of bond proceeds must be audited, and the proceeds cannot be used for repair or maintenance costs, teacher, administrator or employee salaries, or other operating expenses.)

## OPERATING MILLAGE RENEWAL PROPOSAL

This proposal will allow the school district to levy the statutory rate of 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance and renews millage that will expire with the 2014 tax levy.

Shall the currently authorized millage rate limitation of 18 mills (\$18.00 on each \$1,000 of taxable valuation) on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Yale Public Schools, St. Clair and Sanilac Counties, Michigan, be renewed for a period of 6 years, 2015 to 2020, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2015 is approximately \$2,359,000 (this is a renewal of millage which will expire with the 2014 tax levy)?
