Berlin Township Road and Ditch Repair and Maintenance Assistance

Being that it is up to the Berlin Township Board of Trustees to remain fiscally responsible to itself and to the residents of the township and part of that responsibility is to provide enough funds for the proper repair and maintenance of all township roads and ditches, the Berlin Township Board of Trustees is requesting to levy a millage of .50 mills for the sole purpose of providing necessary funds to assist in the repair and maintenance of local roads and ditches. Monies from this millage will be used to fund repairs and maintenance to deteriorating infrastructure (culverts and limestone), additional dust control (additional application(s) of calcium chloride) and ditching in areas where existing ditches are inadequate for their purpose.
