CITY OF MARINE CITY PROPOSAL

Roads and Infrastructure Millage Request

Shall the City of Marine City, County of St. Clair, Michigan, be permitted to increase its currently authorized millage rate of 16.7107 mills in 2019 for a term of five (5) years ending December 31, 2023, by an additional 3.2893 mills (\$3.29 per \$1,000) on each dollar of the taxable value of all real and personal property in the City of Marine City, which will restore to the City a Charter-authorized millage amount for general purposes which has been reduced by Section 31 of Article IX of the State Constitution of 1963, all of which tax revenues would be disbursed to the City of Marine City. The Charter-authorized millage amount has been reduced by required millage rollbacks to 16.7107 as of 2018. If approved, the initial 3.2893 mills authorized for levy would raise approximately \$313,307.00 in revenue in the year 2019. The funds raised from this millage will be used for roads and infrastructure only.

ALMONT COMMUNITY SCHOOLS PROPOSAL

ALMONT COMMUNITY SCHOOLS OPERATIONAL
NON-HOMESTEAD MILLAGE

This proposal authorizes Almont Community Schools to continue to levy up to 18.00 mills for general school district operating purposes on non-homestead taxable property and an additional 1 mill to be used to protect against future Headlee rollbacks. No more than 18 mills will be levied pursuant to this proposal. This proposal will allow Almont Community Schools to receive State funding at the full per pupil allowance. The previously authorized 18 mill operational millage expired with the 2018 levy.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residences and other property exempted by law, located in the Almont Community Schools District, in Lapeer, St. Clair, Oakland and Macomb counties, Michigan, be increased to 19 mills of which a maximum of 18 mills (\$18.00 on each \$1,000 of taxable value) can be collected, for a period of eight years, 2019 through 2026, inclusive, to provide funds to support the operations of Almont Community Schools? If approved this millage would raise estimated revenues of \$935,710.00 the first year it is levied and collected?
