Public Act 4 of 2011 would:

- Establish criteria to assess the financial condition of local government units, including school districts.
- Authorize Governor to appoint an emergency manager (EM) to take control of a financial emergency and allow the EM to act in place of local government officials.

- Alternatively, authorize state-appointed review team to enter into a local government approved consent decree.

Should this law be approved?

- Preserve patients' rights to hire in-home care workers who are not referred from the MQHCC registry who are bargaining unit members.
