OPERATING MILLAGE RENEWAL PROPOSAL

This proposal will allow the school district to levy the statutory rate of 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance and renews millage that will expire with the 2012 tax levy.

Shall the currently authorized millage rate limitation of 18 mills (\$18.00 on each \$1,000 of taxable valuation) on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Almont Community Schools, Counties of Lapeer, St. Clair, Macomb and Oakland, Michigan, be renewed for a period of 2 years, 2013 and 2014, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2013 is approximately \$858,930 (this is a renewal of millage which will expire with the 2012 tax levy)?

EXHIBIT "A"

OPERATING MILLAGE PROPOSAL

This proposal will allow the school district to levy the statutory rate of 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Crosswell-Lexington Community Schools, Sanilac and St. Clair Counties, Michigan, be increased by 19 mills (\$19.00 on each \$1,000 of taxable valuation) for a period of 2 years, 2013 and 2014, to provide funds for operating purposes (18 mills of the above is to replace millage that will expire with the 2012 tax levy and 1 mill is to restore millage that may be lost in the future as a result of the reduction required by the Michigan Constitution of 1963 and will be levied only to the extent necessary to restore that reduction); the estimate of the revenue the school district will collect if the millage is approved and levied in 2013 is approximately \$3,112,000?

- Public Act 4 of 2011 would:
- Establish criteria to assess the financial condition of local government units, including school districts.
 - Authorize Governor to appoint an emergency manager (EM) upon state finding of a financial emergency, and allow the EM to act in place of local government officials.
 - Require EM to develop financial and operating plans, which may include modification or termination of contracts; reorganization of government; and determination of expenditures, assets, and use of assets until the emergency is resolved.
 - Alternatively, authorize state-appointed review team to enter into a local government approved consent decree.

Laws may be enacted to prohibit public employees from striking.
 - Override state laws that regulate hours and conditions of employment to the extent that those laws conflict with collective bargaining agreements.
 - Define "employer" as a person or entity employing one or more employees.

- Allow annual extensions of the deadline to meet the 25% standard in order to prevent rate increases over the 1% limit.
