PROPOSAL

Proposal 22-1

A proposal to amend the state constitution to require annual public financial disclosure reports by legislators and other state officers and change state legislator term limit to 12 total years in legislature

This proposed constitutional amendment would:

- Require members of legislature, governor, lieutenant governor, secretary of state, and attorney general file annual public financial disclosure reports after 2023, including assets, liabilities, income sources, future employment agreements, gifts, travel reimbursements, and positions held in organizations except religious, social, and political organizations.
- Require legislature implement but not limit or restrict reporting requirements.
- Replace current term limits for state representatives and state senators with a 12-year total limit in any combination between house and senate, except a person elected to senate in 2022 may be elected the number of times allowed when that person became a candidate.
